Designer: **Olav Eldøy**

Comfortable and functional

Baloo has a soft surface, like the human body-naturally shaped and with precise execution. The design is 60's inspired, with organic and geometric shapes that are solid-yet a light touch moves it freely and comfortably.

- Swivels 360.
- Available in a variety of modern fabrics and leather in contemporary colors
- Choose between brushed or chrome frame.
- Unique swing function- Baloo is designed to follow your body's small movements.

Hjellegjerde® design icons is a series that is designed for body and mind. They have exceptional seating comfort and are based on solid craftsmanship and Norwegian design. They also make great accents to our sofas and sectional groupings.
