Modul+bein

Note if ordered angled legs on 90 corner,
front leg will be straight

OBS! Dersom vinkel bein er bestilt til
sofa, vil front foten til hjørneelementet
være rett (90 grader).

4. Screw bracket

Note that after they are turned the brackets must still be
placed on the inside of the corner frame , not on the outside!!

Merk at etter at de er snudd skal hektebeslagene fortsatt
festes på innsiden av hjørne skroget, ikke på utsiden!!

Wrong!

OK!

After unpack frame, must be checked position
of mid metal part, it must be stright
between nozag spring's.

THIS METAL PART WAVE MUST GO DOWN NOT UP.

Etter sofarammer er utpakket må metallstang under sofa bli rettet opp
FØR bruk. Den skal være plassert mellom nozagfjærene.

"METAL-BØYLE " MÅ VÆRE BØYD NEDOVER, IKKE OPPOVER.
